Plaintiffs JUDGE: HON Jury trial demand US federal Laws and Civil rights violations of Rev Lisa  
Roy, K Roy new lawful residents of USA. The defendants are multiple. The individual plaintiffs are victim of  
USA and India as the protectors of Laws & Governments are formed of people, many of them are less  
perfects and violative of Laws. Even individual Defendants did take the example of abusive Governments and  
trial method to employ violations and easy target of weaker plaintiffs as targets of oppressions. All defendants  
fully or partly responsible for violations of many laws, which caused damages due to civil right violations. In a  
far fashion violations of Laws caused problems for non individual Plaintiffs to suffer damages recoverable from  
endants in compensatory and punitive damages. Corrupt systems of Governments are not fully corrupt as all  
stituent of it, the people who make the Governments are at many times are dutiful, disciplined and we may not be  
to complain about them. God (AMERICAN, US I was made a defendants as the conventional Gods and divine  
tems made by people including defendants made Gods lesser and lesser effective in our faiths so the social  
ystems has been painful for commoners to survive. Individual plaintiffs are ordained clergy,  
y demand the defendants and/or any devout of current divine system or a clergy or anybody

Civil right violations of US citizens and dishonest inflicted on US non profit smaller corps and associations. Defendants were careless maintaining laws pursuant to Laws and U.S constitution as per their oath to office, or they were engaged in violations of many laws of USA or parties like the New York crimes often ignored social responsibilities and made false propaganda/ advertisements for their Publications to make sufferings of plaintiffs worse. As Plaintiffs suffered many losses not fully evaluated in money terms, Jury may make lawful awards though minimum amount demanded has been quoted in scripts below or above.
